BIRTHDAY PARTY INFORMATION

*Celebrate your birthday in "The Enchanted Kingdom"
and become King or Queen for the day!*

We understand how important birthdays are for children and their parents and will do everything possible to make your birthday celebration a joyful one.

Choose a morning or early or late afternoon party Monday through Saturday. Sunday afternoons are a favorite, as the museum can be reserved exclusively for you and your guests.

A birthday party includes up to 15 guests, in addition to the birthday child and parents of all children. There should be at least one adult present for each 5 children.

CMOS provides invitations, plates, cups, napkins, cutlery, and decorations with streamers and balloons, unless you choose to provide your own. There will be access to the kitchen, with stove, sink, microwave, and refrigerator. The birthday cake and refreshments will be provided by you. We will have the party room ready for you when you arrive.

Children usually spend up to an hour and a half of free play in the museum and courtyard, with about half an hour or more for the birthday celebration in "The Enchanted Kingdom."

To ensure that all your guests have an enjoyable time, there are a few simple things you can do:

1. Plan to arrive at CMOS at least 15 minutes before the party is to begin.
2. Adults will want to be available in the areas of the museum where the children are playing to monitor their activities and to make sure that they are safe. At least one adult should be present for every 5 children where they are playing.
3. Let the children know when it is time for them to come to the party room.
4. When it is time to leave, make sure that each of your guests leaves with the responsible parent or adult.
5. Make sure that all of your guests are picked up before you leave.

We will do everything we can to make this a wonderful birthday celebration!
